

3rd Annual

Tucker Redfern Pediatric Trauma Symposium

Register by Friday, March 11, 2016

Friday, March 18, 2016

Hammons Heart Institute

1325 E. Cherokee

Springfield, Missouri

Mercy Hospital Springfield is excited to continue this annual pediatric trauma symposium in honor and memory of Tucker Redfern. Tucker was the 21-year-old son of Dr. and Mrs. David Redfern, and was tragically killed in an automobile accident on December 10, 2012. Trauma is the leading cause of childhood death and disability. However, pediatric trauma care continues to pose significant and unique challenges. This one-day symposium will provide the health care practitioner with up-to-date clinical information for the management of injured children and their families. Current issues will be addressed across the continuum of trauma care.

Registration fees: All Physicians - \$100; Other Mercy Healthcare Providers - \$40; Other Non-Mercy Healthcare Providers - \$50; Full-time Students - \$30

Register Online at www.onlineregistrationcenter.com/2016TuckerRedfern

Registration by Friday, March 11 is encouraged. A \$25 processing fee will be deducted from all cancellation requests made before Friday, March 11. No refunds will be made thereafter. If Mercy cancels the symposium a full refund will be issued. The liability of Mercy is limited to the symposium fee. Mercy will not be responsible for any losses incurred by registrants including, but not limited to, airline cancellation charges or hotel deposits. Layered clothing is recommended to allow for room temperature variations. For registration questions, cancellations and other inquiries, please contact Mercy Talent Development & Optimization at sprg_tdo@mercy.net.
